Operation Theatre Technician

WORK EXPERIENCE

MMarroof International
Hospital

Mar 2022 - Mar 2024

OT Technician

Gained hands-on experience in pre-operative and post-operative patient care, surgical instrument sterilization, and assisting surgeons during various major and minor procedures. Demonstrated strong knowledge of infection control protocols and operating room procedures. Efficiently collaborated with surgical teams, maintained OT inventory, and ensured smooth operation of equipment and environment in high-pressure situations. Proven ability to maintain patient safety and OT hygiene standards.

IPakistan Surgical
Centre

Mar 2024 - Mar 2025

OT Technician

At Pakistan Surgical Center, further enhanced expertise in surgical support, patient preparation, and instrument handling. Played a key role in ensuring smooth OT operations, maintaining surgical equipment, and supporting post-operative care under high-pressure conditions.
